

As of 10/7/2009

235 - Department of Labor and Industries

A001 Administration

Statewide Result Area: Improve the economic vitality of businesses and individuals

Statewide Strategy: Improve workplace safety and fairness

Expected Results

Managing agency and field offices so performance goals are met, statutorily required programs function well, and budget and expenditures meet statutory requirements. Managing services to all divisions such as facilities, public information, personnel, procurement, accounting, vendor payment, contracts, risk management, and public disclosure so that the agency is able to meet performance goals, and perform statutorily required duties on time, without interruption, and within budget. Maintaining agency information systems at a level that minimizes interruption of vital business services and ensures system compliance with federal and state policies, standards, and best practices at least 99 percent of the time. Providing Internet services that enable customers to conduct business on their schedules and at their convenience.

A002 Apprenticeship

Statewide Result Area: Improve the value of postsecondary learning

Statewide Strategy: Support career preparation beyond high school

Expected Results

Participation of a significant number of apprentices each year in different apprenticeship programs and approval of new programs in both traditional and non-traditional occupations results in median annualized earnings of \$50,599 for apprentices. This is the highest annual salary of all workforce development programs in Washington. The next highest salary is \$32,420 for those apprentices who do not graduate from their programs. Enforcement through compliance reviews of state and federal requirements once every two years. Coordinate promote and expand existing programs and pre-apprenticeship programs and develop new programs to produce a qualified stream of applicants for programs seeking participants. Collaborating with other workforce training entities to secure federal workforce development funding and/or grant dollars designated for the expansion of apprenticeship. The apprenticeship program often serves as a conduit for federal Workforce Investment Act funding.

A003 Contractor Registration

Statewide Result Area: Improve the economic vitality of businesses and individuals

Statewide Strategy: Regulate the economy to ensure fairness, security and efficiency

Expected Results

As of 10/7/2009

Providing consumer protection in the form of approximately \$1.4 million in contractor bonds disbursed to harmed consumers each year. Registering more than 59,000 contractors with the program, and inspection staff checking 28,000 registrations annually; reviewing whether they are bonded and insured. Seventeen thousand of these interactions are conducted on job sites across the state. Construction compliance inspectors identify employers who owe the agency more than \$750,000 in workers' compensation premiums. They issue penalties for non-compliance and refer contractors to local prosecutors to pursue criminal action against habitually fraudulent contractors. Answering 38,000 toll-free calls each year from consumers and contractors regarding registrations and/or inquiring about legal recourse against a fraudulent contractor. Providing a real-time, web-based application for consumers to check on the status of a contractor's registration, which averages around 800 hits per day. Providing targeted outreach at home and trade shows to increase consumer awareness about contractor obligations and consumer protections.

A004 Crime Victims' Compensation

Statewide Result Area: Improve the safety of people and property

Statewide Strategy: Support crime response and recovery and administer justice

Expected Results

Adjudicating crime victim claims within 50 days, (7,000 claims are received annually). Paying crime victim provider bills within 50 days, 70,000 bills are received annually. Providing crime victim benefits to over 7,500 victims who are eligible to receive medical care, counseling, time-loss payments, limited disability benefits, funeral assistance, and emergency forensic examinations for sexual assault victims. Enforcing requirements that all other medical insurance coverage pays first.

A005 Electrical

Statewide Result Area: Improve the safety of people and property

Statewide Strategy: Prevent accidents

Expected Results

Issuing 162,000 electrical installation permits. Conducting almost 300,000 inspections annually and assuring that electrical hazards identified during inspections are fixed. Issuing 157,000 corrections annually. Assessing penalties for violations regarding improper installations. Making random visits to job sites to ensure that electricians are licensed and certified. Licensing and certifying 44,000 electricians in the state, and renewing on two or three year cycles, depending on the type of license or certificate. Auditing and verifying electrical trainee hours. Verifying credentials for all exam applicants. Issuing 4,200 citations annually, nearly half issued for performing work while uncertified or for work done without a permit.

A006 Elevator Inspection

Statewide Result Area: Improve the safety of people and property

Statewide Strategy: Prevent accidents

Expected Results

As of 10/7/2009

Completion of 13,882 elevator safety inspections annually. Identifying approximately 25,000 corrections each year. Of the 25,000 corrections in FY2006, 10,214 were abated within 90 days. Timely administration of inspection reports and follow-up to ensure that required corrections are made. Issuing penalties for non-compliance as a tool for ensuring abatement of identified corrections. Timely processing of annual operating permits for owners of elevators and other conveyances. Administering 350 licenses and tests for elevator contractors and mechanics each year.

A007 Employment Standards/Prevailing Wage

Statewide Result Area: **Improve the economic vitality of businesses and individuals**
Statewide Strategy: **Regulate the economy to ensure fairness, security and efficiency**

Expected Results

Investigating 5,000 wage claims from employees and other referral sources each year. These investigations result in the collection of wages for workers. Industrial Relations Agents determine the validity of a claim, then mediate and negotiate a settlement on behalf of the worker and/or assist the worker in preparation of a case for formal litigation. Collecting over \$4 million a year in unpaid wages for workers. Issuing more than 30,000 minor work permits and variances to employers annually. These permits promote protections for more than 100,000 minors. Penalties are issued for child labor, minimum wage, family-care, farm labor, and prevailing wage violations. Establishing and publishing prevailing wage rates for construction-related trades in each county through wage surveys and scope-of-work analyses. Processing over 70,000 prevailing wage intents and affidavits within one day to verify and ensure appropriate prevailing wages are paid in over 3,000 job types in public works projects, contributing over \$4.6 billion to the Washington State economy.

A008 Factory-Assembled Structures

Statewide Result Area: **Improve the safety of people and property**
Statewide Strategy: **Prevent accidents**

Expected Results

Successfully overseeing and enforcing consistent life safety standards in factory assembled structures. Responding in a timely manner to nearly 9,000 requests annually for inspections of alterations to mobile/manufactured homes. Reviewing contractors to enforce requirements for alteration permits and receiving safety inspections. Conducting 300 inspection and audit visits annually to manufacturing facilities in other states and Canada. Reviewing 2,500 plans annually for compliance with a variety of federal, state, and local codes to ensure public safety.

A009 Field Office Customer Support

Statewide Result Area: **Improve the economic vitality of businesses and individuals**
Statewide Strategy: **Return unemployed, underemployed or injured workers to work**

Expected Results

Providing effective service to 700,000 walk-in and telephone customers, such as responding to workers' compensation claims issues. Appropriately processing revenues collected from workers' compensation premiums, permit and license fees, and other payments.

As of 10/7/2009

A010 Health Care Analysis

Statewide Result Area: Improve the health of Washingtonians**Statewide Strategy:** Return unemployed, underemployed or injured workers to work**Expected Results**

Developing and updating medical fee schedules. Controlling the rate of growth in medical costs to minimize premium increases. Processing and paying in a timely manner 3.1 million provider bills, in excess of \$450 million annually. Auditing health-care providers to recover inappropriate payments. Developing, implementing, and evaluating innovative service delivery programs for provision of cost-effective medical services to injured workers. Providing targeted utilization review of 15,000 high cost inpatient and outpatient procedures each year to support quality and value-based purchasing. Preventing inappropriate use of prescription drugs. Developing medical treatment guidelines and health technology assessments to ensure health care is high quality and evidence-based. The agency's drug utilization review saves approximately \$4 million per year while improving patient safety.

A011 Fraud Prevention and Compliance

Statewide Result Area: Improve the economic vitality of businesses and individuals**Statewide Strategy:** Return unemployed, underemployed or injured workers to work**Expected Results**

Performing more than 3,800 audits yearly to ensure compliant reporting and payment. Investigating over 4,000 claims each year to ensure that benefits are paid properly. Collecting delinquent funds from more than 35,000 employers, claimants, and providers. Successfully auditing and investigating provider fraud cases. Conducting investigations of potential discrimination involving industrial insurance claims. Performing administrative reviews of employer assessments and classification determinations.

A012 Plumbers Certification

Statewide Result Area: Improve the safety of people and property**Statewide Strategy:** Prevent accidents**Expected Results**

Certifying and renewing journeyman and residential plumbers. Auditing and monitoring hours for 2,000 plumber trainees and medical gas installers. Examining an average of 670 plumbers each year. Ensuring compliance by visiting 15,000 construction sites and verifying the certification of plumbers on the job. Issuing infractions and collecting penalties.

A013 Premium Assessment

Statewide Result Area: Improve the economic vitality of businesses and individuals**Statewide Strategy:** Return unemployed, underemployed or injured workers to work

*As of 10/7/2009***Expected Results**

Keeping premiums low and maintaining actuarial solvency of the state fund by providing for a rating system consistent with recognized principles of workers' compensation insurance, which are designed to encourage accident prevention. Keeping classification premiums stable and responsive to experience by classifying all occupations or industries in accordance with their degree of hazard. Making sure all employers pay their fair share by distributing the burden of accidents occurring fairly and appropriately within those classifications for which the employer is conducting business.

A014 Pressure Vessel

Statewide Result Area: Improve the safety of people and property

Statewide Strategy: Prevent accidents

Expected Results

Inspecting and certifying of more than 100,000 vessels each year for all power boilers, and every two years for all heating boilers and pressure vessels. Inspections and certifications are done by state boiler inspectors and inspectors working for insurance companies. Identifying through inspections imminent life-safety violations that prompt the issuance of "red tags" that terminate use of a vessel until the violation has been abated or the vessel is replaced. Providing consultative services to all boiler/pressure vessel owners, insurance companies, users, and non-state inspectors. Identifying and issuing 5,000 new operating permits for vessels each year. Issuing penalties for non-compliance.

A015 Self Insurance

Statewide Result Area: Improve the economic vitality of businesses and individuals

Statewide Strategy: Return unemployed, underemployed or injured workers to work

Expected Results

Completing financial reviews and compliance audits of self-insured employers. Collecting all assessments due to the department. Ensuring timely benefit delivery to workers of defaulting self-insurers. The department's role in self-insured claims is to ensure that workers receive the benefits to which they are entitled by monitoring the self insurer's actions and intervening when necessary; including resolution of disputes and adjudication of benefits.

A016 SHARP

Statewide Result Area: Improve the economic vitality of businesses and individuals

Statewide Strategy: Improve workplace safety and fairness

Expected Results

Enumerating policy-relevant safety and health research publications and formal presentations delivered to employers, workers, business associations, labor groups, scientific meetings, and others. Providing evidence based information for action to save lives and improve worker safety.

As of 10/7/2009

A018 WISHA Consultation and Compliance

Statewide Result Area: Improve the economic vitality of businesses and individuals**Statewide Strategy:** Improve workplace safety and fairness**Expected Results**

Achieving safer places to work, with workers going home in the same condition they left home in, by reducing workplace hazards,

Reducing workplace injuries, illnesses and deaths. Developing innovative partnerships with business organizations and labor including cooperative agreements and employer recognition programs. Conducting almost 8,000 workplace inspections that result in identifying and ensuring employers fix at least 7,321 serious hazards that could cause serious injuries or illnesses; and responding to and resolving employee complaints about serious hazards.

Investigating work-related deaths and catastrophes and determining causes and ways to prevent re-occurrences.

Providing at least 3,000 workplace safety and health consultations that result in identifying and fixing at least 11,000 serious hazards. Providing advice on how to correct hazards and working with employers to ensure timely correction.

Providing safety and health educational workshops for employers and employees. Conducting

statutorily required citation appeal hearings and negotiating settlement agreements with employers and attorneys.

Conducting statutorily required investigations of employee allegations of discrimination or retaliation by employers as a result of a complaint about workplace safety. Negotiating settlement agreements with complainants, employers and attorneys or otherwise resolving cases.

A019 Worker Compensation Benefit, Policy, and Operations

Statewide Result Area: Improve the economic vitality of businesses and individuals**Statewide Strategy:** Return unemployed, underemployed or injured workers to work**Expected Results**

Promptly processing 134,000 claims filed annually. Managing over 55,000 open claims at any given time. This involves monitoring the provision of over \$540 million paid out annually for medical treatment, in addition to lost wage replacement benefits, and awards for permanent physical impairment amounting to over \$520 million annually. Delivering the initial payment of wage replacement benefits to eligible workers within 14 days of receiving the claim. Processing over 600,000 payments for on-going time-loss compensation benefits to eligible workers on a regular, semi-monthly basis. Providing return-to-work or vocational services to approximately 14,500 workers each year who are not able to return to work within 14 days of their disability. Adjudicating and timely paying \$420 million annually in pension benefits to approximately 22,000 permanently disabled workers, and beneficiaries of workers killed on the job. Adjusting benefits for workers who also receive social security payments. Receiving and responding to over 698,000 incoming phone calls per year. Making determinations within the statutory time frames on over 7,500 applications to reopen closed claims received annually. Responding in a timely manner to the over 6,000 decisions on appeals issued annually by the Board of Industrial Insurance Appeals.

As of 10/7/2009

Average number of days from the date of receiving a claim to the allowance or rejection decision.

A022 Protecting Worker Safety

Statewide Result Area: Improve the economic vitality of businesses and individuals

Statewide Strategy: Improve workplace safety and fairness

Expected Results

Keep Washington workers safe by increasing the number of serious hazards corrected as a result of education, consultation, and compliance activity, especially in high-hazard industries.

As of 10/7/2009

DOSH enforcement effectiveness measures the decrease in claims rates for employers visited by DOSH enforcement compared to the employers claims rates without any DOSH enforcement.				
Biennium	Period	Target	Actual	Variance
2009-11	7th Qtr	(15)%		
	3rd Qtr	(15)%		
2007-09	7th Qtr	0%	3.2%	3.2%
	6th Qtr	(15)%		
	3rd Qtr	0%	(19.2)%	(19.2)%
	2nd Qtr	(15)%	0%	15%
2005-07	7th Qtr	0%	(9.9)%	(9.9)%
	6th Qtr	(15)%		
	3rd Qtr	0%	(9.6)%	(9.6)%
	2nd Qtr	(15)%	0%	15%
<p><i>This is an annual measure, results are usually available by December. The reporting lag is two years. The 2008 report documents the comparison between the 2006 claims rates for those employers with DOSH enforcement activity in 2005 with those who had no DOSH activity in 2005. The impact of our enforcement activity would be 2006. Due to change in industry coding as a result of NAICS, which changed industry classifications, all results have now been recalculated.</i></p>				

Date Measured: 4/30/2009

<i>All work performed by laborers, workers and mechanics covered by RCW 39.12 must be paid at the prevailed rate for the appropriate locality. The prevailing rates of pay for these workers are established by a survey of employers in a specific trade. Prevailing wage rates are, by statute, updated and published in August & February. The wage and hour survey protects workers performing public works and public agencies paying for public works by establishing a current "going rate" for the work.</i>				

Date Measured: 7/31/2009

As of 10/7/2009

Total dollars in millions collected for workers as a result of employment standards and prevailing wage complaints.
